Good Afternoon,

The Nunavut Water Board ("NWB") acknowledges receipt on September 18, 2019 of your new approval for water use without water licence, for the Gjoa Haven Water Crossing Project. This application has been assigned file number 1WLC-GJO----. Please refer to this number on future submissions.

Upon initial review the application requires the following;

- Location Map of the project
- Summary in English and Inuktitut

A Technical Advisor has been assigned to your application and will review your submission, additional information may be requested.

Regards

Kayla Carter
Licence Administrator Trainee
