Subject: Receipt of Assignment and Renewal Forms of NWB4SOU9800 – Southampton Commercial Caribou Harvest

Dear Mr. Netser:

The Nunavut Water Board acknowledges receipt on January 13, 2000 of the following:

- Assignment forms to assign from Tunnuq Harvest to Southampton Island Meat Company
- Application form for renewal (only received first page)
- Supplementary Questionnaire

The fee received on December 18, 1998 as indicated by receipt C101088 will be sufficient to cover the assignment fee.

The Nunavut Water Board still needs an application renewal fee of \$30 payable to the Receiver General for Canada. An executive summary in both English and Inuktitut is also required. Please resend the application form as we only received the first page.

The assignment process will be started immediately, but the application renewal process will not be initiated until the above have been received.

Sincerely,

Rita Becker
Licensing Administrator
