Re: Use of Hamlet Waste Facility

Dear Mr. Graham Gill:

Your request for disposal of waste at our landfill site has been considered and the terms outlined below would apply:

1. A fee of \$300.00 per month would be charged
2. The landfill site will not accept waste. This would include, but not limited to: vehicle batteries, waste oil, antifreeze or bulk containers of hazardous waste.

Should these terms be acceptable, and a letter of acceptance forwarded to the Hamlet, please consider this letter confirmation of your request to use our landfill facility for your 2007 exploration season.

Please send payments to the following address below:
