Re: Application Acknowledgement for the Darby Lake Project

Dear Dr.:

The Nunavut Water Board acknowledges receipt on April 14, 2004 of your new water license application, for the Darby Lake Area Project on the Boothia Mainland.

We undertook a preliminary review of your application and conclude that it does not contain sufficient information for the NWB to evaluate the qualitative and quantitative effects of the use of water or the deposit of waste on water. Specifically, we are asking you to provide the following:

- Supplementary Questionnaire (available on our ftp site at [nwb/NWB Administration/NWB General Information/Questionnaires](http://nwb/NWB%20Administration/NWB%20General%20Information/Questionnaires)). Please use the one entitled Remote Camp Questionnaire. We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at licensing@nwb.nunavut.ca if you have any questions.

Sincerely,
