Re: Water Licence for Twin Mining Corp.

Mrs.. Becker,

Please find attached Twin Mining Corporation's application with the Nunavut Water Board regarding our 2002 proposed exploration program. This application is a renewal of last year's permit No. NWB2JAC0101. Also attached is a cheque to the amount of \$30.00 which covers your application fees.

Hoping this information is to your satisfaction, I remain available at your convenience if you require additional information

Best Regards,

Richard Roy
