Subject: Expiry of permit NWB2JAC0101

Dear Mr. Roy:

This is a reminder that your permit NWB2JAC0101 for water use and waste disposal associated with exploration near Jackson Inlet expires on October 15, 2001.

As indicated in Part B, Item 1 of the permit, a summary report needs to be submitted to the Nunavut Water Board no later than March 31st of the year being reported. This report should include information about activities for the above permit, water quality data, abandonment and restoration of the site, list any unauthorized spills and the follow-up action taken, and any other relevant water use and waste disposal information.

Should you wish to continue with the exploration, you will need to file an application for renewal of this permit. Please indicate in the appropriate locations of the application, whether the renewal is for an annual permit or a multi-year permit.

An application form and supplementary questionnaire are attached to this letter. These can be filed electronically, by fax, or by regular mail. Please allow 3-4 months for the renewal process. For an application to be deemed complete the following are needed:

- completed application form
- completed supplementary questionnaire
- relevants maps/drawings (max. size 11" x 17")
- executive summary in both English and Inuktitut
- application fee of \$30 payable to the Receiver General of Canada

We look forward to receiving your application and/or Summary Report. Should you have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

Original signed by:
