Re: Temporary Interim NWB Water Licence #NWB2JAC0101

Dear Mr. Roy:

The Nunavut Water Board (NWB) has final approval of the Twin Mining Company's "Oil Spill Contingency Plan" for the Jackson Inlet project. The Licensee shall incorporate the following provisions into their plan:

The Licensee shall also revise annually the submitted Contingency Plan titled, "Emergency Spill Response Plan" received July XX, 2000 to reflect changes in operation and/or technology.

If you have any questions or comments, please do not hesitate to contact the NWB office at 867-360-6338 or Alexandra Thomson by email at alex@polarnet.ca.

Sincerely,

Rita Becker
Licensing Administrator
