**Re: Spill Contingency Plan for NWB Water Licence #NWB2JAC0101**

Dear Sir/Madam:

Attached is the Twin Mining Company's "Oil Spill Contingency Plan" for the Jackson Inlet project. The Nunavut Water Board (NWB) is conducting a technical review of the plan. Please provide your comments and suggestions to the Nunavut Water Board by **Friday July 6<sup>th</sup> 2001**, or to Dionne Filiatrault at [dionne@polarnet.ca](mailto:dionne@polarnet.ca). If you have any questions or concerns, please contact our office at 867-360-6338.

Sincerely,

Rita Becker  
Licensing Administrator
