Re: Amendment to Include Tree 1 Claim in this licence

On March 20, 2001 our office sent information to the distribution list with regards to the amendment application from De Beers Canada Exploration Inc, and on April 2, 2001 you received the executive summaries for this application.

De Beers has also sent the following two items by mail:

- Attachment 2: Diamond Core Drill System
- Appendix 4: MSDS Sheets for Drilling Muds/Additives.

As these two documents are too large to fax, I will not be sending them to the distribution list; however, they are available upon request.

Sincerely,
