Mineral Exploration - Kikerk Lake

Monopros Limited

NIRB: 97E015N045 DIAND: N97C753

In response to your letter to Joe Ahmad dated March 10, 2000, enclosed is the completed NIRB Screening Decision Report for the application for a land use permit for Monopros Ltd. to do mineral exploration at Kikerk Lake.

It has been determined that the NIRB has already previously screened this application for ecosystemic and socio-economic impacts (NIRB File #97E015N045). As there are no changes to the original application, this project may proceed without additional NIRB screening subject to the terms and conditions provided in the screening decision report enclosed.

NIRB's indication to the Minister for NIRB File #97E015N045 was: 12.4.4 (a) the proposal may be processed without a review under Part 5 or 6; NIRB may recommend specific terms and conditions to be attached to any approval, reflecting the primary objectives set out in Section 12.2.5.

Please contact myself at (867) 983-2593 if you have any questions about the Screening Report.

Sincerely,

Rey Chaudhary
