To Whom It May Concern:

Please find enclosed 2 water licence applications. One is with respect to diamond drilling True North has planned for our summer field season, and the other is with respect to two stream crossings we would like to install culverts at. I was told to complete application forms separately for each proposal, however they are in reference to the same project.

Please feel free to contact me if you have any further questions, or our Project Manager on-site, Mark Connell, at 867-939-2174 or 867-939-2092.

Sincerely,

*Bonnie Pemberton*
