Phyllis Beaulieu  
Manager of Licensing, Nunavut Water Board  
PO Box 119  
Gjoa Haven, NU X0B 1J0

Dear Phyllis:

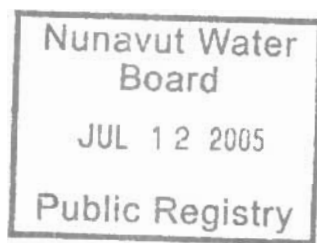

As per your e-mail of June 30, 2005, please find enclosed an updated application form covering our requests to diamond drill and cross streams for our summer field program in Kimmirut.

I have not re-submitted the supplementary questionnaires as they have not changed since my original submission. I also have not re-submitted the Stream Crossings Report, as there are no changes to it either.

Sincerely,

*Bonnie Pemberton*

Bonnie Pemberton  
Project Coordinator
