Hello Bonnie,

Could you please send me in writing ( email will suffice) the proposed new duration of the project so that we can send it out for a 30-day review.

Thanks.

Sean

Hi Sean,

Sure, I don't anticipate any field program occurring for us this summer, so we might as well extend at this point so that we are covered for next summer. I am willing to use whatever term license you recommend, I assume if our plans change significantly (i.e. the addition of diamond drilling) then an amendment to the license can be made?

Cheers,  
Bonnie
