RE: Licence 2BE-KIY0810 “Kiyuk Lake Project” Kivalliq Region, Nunavut – Newmont Canada Ltd., Addendum to the Spill Contingency Plan, submitted under Part H, Item 2; Addendum to the Abandonment and Restoration Plan, submitted under Part I, Item 2

Dear Mr. Chambers:

The Nunavut Water Board (“NWB”) has completed a technical review of the Addendums to the Spill Contingency and Abandonment and Restoration Plans, received on April 11, 2008.

The Addendums to the Spill Contingency and Abandonment and Restoration Plans were found to conform to the requirements specified under Part H, Item 2 and Part I, Item 2 of the Licence 2BE-KIY0810. However, a NT-NU Spill Report form should be included in the Spill Contingency Plan.

Should you have any questions, please feel free to contact the undersigned at 867-360-6338 ext. 30 or by email at k.kharatyan@nunavutwaterboard.org.

Yours truly,
