DECISION

LICENCE NUMBER: 2BE-YAV0810

This is the decision of the Nunavut Water Board (NWB) with respect to an application for a renewal of a Water Licence dated April 25, 2008 made by:

SAVANT EXPLORATIONS LTD.

to allow for the use of water and disposal of waste during camp activities and exploration drilling operations at the Yava Property located within the Kitikmeot Region, Nunavut generally located at the geographical coordinates as follows:

Latitude: 65° 36'N Longitude: 107° 56'W (Existing camp)

DECISION

After having been satisfied that the application was for a location within an area in which there is no valid Land Use Plan and exempt from the requirement for screening by the Nunavut Impact Review Board in accordance with Schedule 12.1, Paragraph 5 of the *Nunavut Land Claim Agreement* (NLCA), the NWB decided that the application could proceed through the regulatory process. In accordance with S.55.1 of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (NWNSRTA) and Article 13 of the NLCA, public notice of the application was given and interested persons were invited to make representations to the NWB.

After reviewing the submission of the Applicant and considering the representations made by interested persons, the NWB, having given due regard to the facts and circumstances, the merits of the submissions made to it and to the purpose, scope and intent of the NLCA and of the NWNSRTA, waived the requirement to hold a public hearing, and determined that:

**Licence Number 2BE-YAV0810 be issued subject to the terms and conditions contained therein.
