Dear Ms. Quqsuut, Ms. Beaulieu,

**RE: NWB 3BC-ACP Arctic Carbonates Project – Beauchamp – May 2010**

NWB land use license application/proposal listed above was reviewed for conformity against the North Baffin Regional Land Use Plan (NBRLUP) under the file: **NRI – Arctic Carbonates - Beauchamp on January 29, 2010.** After reviewing the file, NPC finds that the above application/proposal does not require the proponent to agree to terms which were previously agreed to.

Therefore no conformity determination is needed. I have attached those terms in which the proponent undersigned with this letter which the INAC, as a recognized authorizing agency under the *NLCA*, is responsible to implement the attached requirements by incorporating the requirements directly, or otherwise ensuring that they be met through any authorizations issued.
