THE BEST TO YOU & YOUR STAFF IN THE NEW YEAR
I HAVE BEEN READING THE COMMENTS OF THE
N.I.R.B. AND THEY STATE THAT I HAVE LIMITED KNOWLEDGE
OF WORKING & MAINTAINING A CAMP IN THE NORTH.
DUE TO THE NATURE OF MY WORK I HAVE EXTENSIVE
EXPERIENCES OF WORKING IN NORTHERN B.C.,
Y.T. & THE N.W.T. I HAVE ONLY DONE TWO CONTRACT
JOBS IN THE N.W.T. BOTH SUCCESSFULLY. AS A MINING
CONTRACTOR I AM USUALLY RESPONSIBLE FOR
MEN, MACHINERY, EXPLOSIVES & THE ENVIRONMENT
& THE SAFETY OF THE WHOLE PROJECT. ALTHOUGH I
AM NOT AN EXPERT MECHANIC I DO OWN A PARTNER-
SHIP IN A MACHINE SHOP IN GREENWOOD B.C. SO I
DO KNOW HOW TO MAINTAIN EQUIPMENT. I WILL
BE TALKING TO MARTIN KNOTSON FOR SITE
SPECIFIC INFORMATION THAT YOU REQUIRE. THE
CAMP I REQUESTED SEEMS TO BE AT A JUNCTURE
OF TWO FAULTS WHICH CONTAINS YUMMY FOODS
FOR THE BEARS SO I WOULD LIKE TO MOVE THE
CAMP FROM THOSE TWO FAULTS. THERE IS HOME
INVASION EGU. ON THE MARKET THAT CAN BE SET UP
AT CAMP TO SCARE BEARS. THEY REALLY WORK.
I AM AWARE OF THE PROBLEMS OF USING
DIESEL FUEL IN BARRELS FOR A LOT OF THE
JOBS I WORK ON ARE FLY IN JOBS WHERE
FUEL BARRELS ARE THE ONLY OPTION. THIS CAMP
SHOULD BE FOR A 90 DAY PERIOD BEFORE
DE-MOBING. IF I AM SUCCESSFUL THERE WILL BE NO
DE-MOBING FOR 100+ YRS.

THANK YOU A. McPherson
