Attachments: Richard Dwyer.vcf; 100111 3BC-ERI---- New Application-ILAE.pdf

Good morning;

The Nunavut Water Board (NWB) acknowledges receipt of your application; to continue processing this application the NWB requires you to submit the following;

- Signed application signature page
- Inuktitut & English summary
- Location map of project
- Nunavut Planning Commission (NPC) Conformity Review or a letter/e-mail from NPC that Conformity Review isn't required for this project
- Nunavut Impact Review Board (NIRB) Screening Decision or letter/e-mail from NIRB that Screening Decision isn't required for this project

Please note once the information is received it will be forwarded to a NWB tech advisor for his review additional information may be requested prior to 30 day distribution review period.

Regards,
