Hi Leslie;

I wasn't able to identify if any of the following were part of NIRB's screening process from NIRB ftp site:

- 2BE-BKL (Assignment from De Beers Canada Inc. to Majescor Resources Inc.) - NIRB will not be screening
- 2BE-CRO (True North Gems) - I would like to discuss this one with you further – I am aware of a potentially associated amendment application with CGS but we are not screening yet
- 2BE-HIG Amendment 2 (Zinifex) expanded area of work – will check with Sophia
- 3BC-FXB (Reinhard Pienitz Laval University) - NIRB will not be screening
- 3BC-MIO (Robert W. Park University of Waterloo) - NIRB will not be screening
- 3BC-PLI (Mark Mallory Environment Canada Prince Leopold Island) – NIRB exempted this under file # 06YN015 (decision attached)
- 3BM-ARC (Hamlet of Arctic Bay) - NIRB will not be screening
- 3BM-CAM (Hamlet of Cambridge Bay) - NIRB will not be screening
- 3BM-TAL (Hamlet of Taloyoak) - NIRB will not be screening

Thanks,

---
