Good morning;

The Nunavut Water Board (“NWB”) acknowledges receipt on April 15, 2010 of your new water license application, for the Paleoenvironmental reconstruction of the Houghton impact structure and surrounding terrains over the past 39 Million years.

The following documents were received in support of the application:

- Water licence Application
- Supplemental Questionnaire
- English & Inuktitut Summary
- Project Location Map
- \$30.00 admin fee & \$30.00 water use fee

Prior to distribution to all parties for a 30 day review, our in-house staff will perform an administrative and preliminary technical review to ensure all documentation has been provided. You will be notified of the requirement to submit further information as necessary.

Regards,
