Hi Phyllis,

Yes we did, but we feel that this project should be completed this year to deal with spring run-off in May.

Hi Paul, did you ever receive the attached notifying you of the expiry of the licence for the Trail Area Deposit?

Hi Phyllis,

This is a follow up to the letter that was submitted on September 23, 2011. We are now in the middle of October and because of weather conditions we are running out of time to complete the upgrades in the Trail Area Deposit. If you don't respond by Monday October 17, 2011, we are going to move forward and complete this project.

Sincerely,

Paul Clow
