Dear Mr. Curtis,

As requested, here is the application form. Please complete it, along with the supplementary questionnaire (only applicable questions), and send it to the NWB Licence Administrator with a \$30 cheque payable to the Receiver General for Canada.

As legislation stands now, we are required to send any water application to the Nunavut Impact Review Board for screening. The NIRB screening may take up to 45 days. Then the Water Board is authorized to process the application and issue the permit, which should not take more than 10 days.

Please contact me if you have questions. You can also contact Dionne Filiatrault, Technical Advisor, if you have technical questions regarding your application.

Sincerely,

Philippe di Pizzo
