

will arrange to remove the tent frames and other goods/supplies to either Windy Camp or Elu Inlet Lodge.

There were no reportable fuel spills during the course of activities nor was there any reported incidents of any damage to the tundra.

The areas utilized for the camp, fuel cache and drill sites all remain in the same condition as they were prior to exploration by Sherwood. No restoration is required.

Should you have any questions or further concerns, do not hesitate to contact the undersigned at (604) 331-2254.

Sincerely,
Sherwood Mining Corporation
