Dear Mr. Porter,

Subject: Melville Peninsula-Ingi Lake Area (file NWB2ING)

On July 2 we received your letter requesting our project summary be translated into Inuktitut. This has been completed and is enclosed with a copy of the English version. Josie Tucktoo-Lacasse of Cambridge Bay (NIRB) provided the translation service for us. As stated in the earlier fax sent on July 3, a copy is already in the hands of the Nunavut Impact Review Board and one sent to the Kivalliq Inuit Association.

If you have any more requests or concerns please contact us at your earliest convenience.

Yours truly,

Noranda Mining and Exploration Inc.
