Dear Ms. Becker:

Re: Application for Water Licence, Wet Coast Capital Corp.

The Water Resources Division has reviewed the water licence application for the above-mentioned document.

The water-related aspects of this project have been well addressed by the provisions made in this application and accompanying project summary. Further issues, such as those pertaining to waste management, will be addressed by the land use permit issued to the proponent by DIAND. Should you have any questions or comments, please do not hesitate to contact me at (867) 975-4548 or by e-mail at johnsonmi@inac.gc.ca.

Sincerely,

M. Johnson
