RE: Re-assignment of McGregor Lake Water Licence

Dear Ms. Filiatrault:

Please accept the enclosed application to re-assign the existing water licence from Canamera Geological Ltd. to Muskox Holdings Ltd. The reason for this re-assignment is due to the fact that the mineral claims have been recently transferred to Muskox Holdings. New land use permits have been applied for both activities in Crown (DIAND) and Inuit Withdrawal Land (KIA).

The relevant fees are also enclosed.

Also included is some background information on the Muskox Project at McGregor Lake.

If you have any questions or comments, please contact the undersigned at (867) 669-7562.

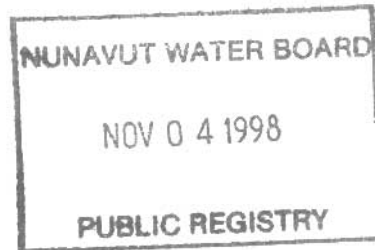

Yours truly,

**CANAMERA GEOLOGICAL LTD.**
