Dear Ms. Becker :

Re: Water License Application – Land Use Permit N1999C0114

Enclosed please find a copy of our Water License application, Supplemental Questionnaire, and a check for \$30.00 for the application fee. I have attached the MSDS information sheets to the supplemental Questionnaire. The executive project summary and related maps are attached to the Water License Application Form.

If you need additional information or clarification of anything please let me know as soon as possible. Please note that I have not been able to have this document translated into Inuktituk. Such services do not seem to be available here in Winnipeg.

Yours truly,
