**RE: Application for Water Licence - Qikiqtaaluk Corporation, Pistol Lake**  
**File No: NWB2PIS**

The Water Resources Division has reviewed the application for a water permit submitted on May 12, 2000 by the Qikiqtaaluk Corporation for their Pistol Lake site. The licence should specify that any sumps be located at a distance greater than 30 metres from any bodies of water. Aside from that we have no water related concerns and approve of the application.

If there are any questions or comments regarding the above, please contact me at (867) 669-2649.

Sincerely,

Katherine Silcock
