Project:

cc. Nunavut Water Board, Gjoa Haven - Philippe di Pizzo

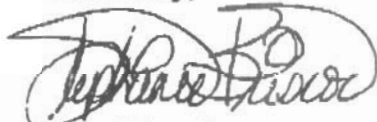

On June 15, 1998, a letter and attached documentation were sent out for comments and recommendations regarding a new water license application for Noranda Mining and Exploration Inc. The deadline for comments is **Monday July 6, 1998** and not Thursday July 16, 1998 as outlined in the previous letter.

Please assess the project proposal for the potential effects on the ecosystemic and socio-economic environments using your knowledge of the area or your field of expertise.

Please forward your comments and recommendations to NIRB by **Monday July 6, 1998**.

We apologize for the misunderstanding and thank you for your comments. Your input is greatly appreciated.

Yours truly,

Jaida Edwards
