Emergency Spill Kit

Description

The Emergency Spill Kit contains a variety of Oil Sorbent products which absorb up to 20 times their own weight in spilled oils and non-aqueous liquids. The kit consists of:

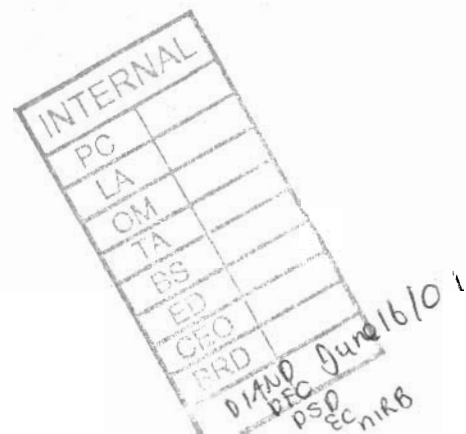

- 5 - Oil Sorbent Sox
- 1 - Bag Oil Sorbent Particle Chips
- 10 - Oil Sorbent Pads
- 1 - Disposal Bag
- 1 - Pair Rubber Gloves

All in a 5 gallon, high impact, plastic pail.

Principle Use

The Emergency Spill Kit is designed for a quick, first response to spills. The kits are economical and ideal for use around camps, work sites, repair shops, docks, marine and boat applications, pump sites, core shacks, drill sites, fueling areas, and many other applications. The kits are easily stored in crew trucks, service vehicles, heavy equipment, small support vehicles, ATV's, and aircraft. Oil Sorbent materials shed water while absorbing gas, oil, and other hydrocarbon based products. Used material can be incinerated or disposed of in compliance with local regulations.

Oil Sorbent Mat

Description

Oil Sorbent Mat comes in rolls of 3 ft. x 150 ft. x 3/8" thick. The Oil Sorbing Material wicks up to 20 times it's own weight in spilled gas, oil or non-aqueous liquids. Rolls weigh 35 lbs. and come in regular duty and heavy duty for high traffic areas and applications where a greater tensile strength is needed.

Principle Use

Ideal for use at any work site, repair facility or fueling area. Oil Sorbent Mat can be easily cut to size and contour to fit. It can be double or triple layered while repairing heavy leaks. Suitable to place under engines, pumps, and other equipment where leaks or spills are likely to occur. Oil Sorbent Mat sheds water while absorbing gas, oil, and other hydrocarbon based products. Used material can be incinerated or disposed of in compliance with local regulations.

45 GALLON DRILL RIG SPILL
RESPONSE KIT

40 - 17" X 19" HOW ABSORBENT PADS
24 - 12" X 12" HOW PILLOWS
3 - PAIR GOGGLES
3 - PAIR DISPOSABLE COVERALLS
3 - PAIR GLOVES
12 - TEMPORARY DISPOSAL BAGS
6 - 3" X 48" HOW ABSORBENT SOCKS
1 - 30LB GRANSORB PARTICULATE
1 - 45 GALLON DRUM

PART #.....777054
