Re: Water licence for construction of Honda trail

Last year the Hamlet of Coral Harbour submitted a water licence application for construction of Honda trail to the Board, and respect to that the Board concluded that the application not needed Board's approval. I am providing a copy of a letter dated June 12, 2000 from the Board to the Hamlet stating that the Hamlet's project proposal does not need permit authorization. This year the Hamlet is proposing again to construct Honda trail past Rocky Brook, and the scope of the project will not change. I'm trying to find out whether the Hamlet has to submit an application this year for this type of activity.

Should you have any questions you can call me at (867) 925-8867 or fax me at 925-8233.
