Subject: 1BC-FRK---- Lady Franklin Point Project Temporary closure of application
Attachments: Richard Dwyer.vcf; 100622 1BC-FRK---- Temporary Closure of Application-ILAE.pdf

Good morning;

The Nunavut Water Board (NWB,Board) acknowledges receipt June 26, 2010 of your letter requesting temporary application closure for your project. The NWB now considers the application closed until requested information is received. The NWB reminds the applicant that no water use or waste disposal may occur on project site until a water licence has been approved by the Board.

Regards,
