Re: Technical Meeting Proceedings for the High Lake Part 5 Review-Technical Meeting Follow-Up

Dear Parties:

On December 18, 2007, the Nunavut Impact Review Board (NIRB or Board) sent a letter to all Parties indicating that a Follow-up session of the Technical Meeting will be held. This letter is to inform Parties of the location and timing of the Follow-up session.

The NIRB would like to meet with all available Parties following the close of the 2008 Cordilleran Roundup conference in Vancouver to discuss any remaining issues, and to provide working groups with an opportunity to report back to the NIRB on the progress of the working groups. The Follow-up session will be held in the Coast Plaza Hotel and Suites in downtown Vancouver commencing at 9:00 am PST and ending at 4:30 pm PST each day. The meetings will be held in the Barclay/Gilford meeting room on February 1, 2008 and in the Mountain/Harbour meeting room on February 2, 2008.

The Follow-up session will be structured such that the following key areas are discussed:

- 1) Update on the teleconferences held during the week of January 14, 2008.
- 2) Any remaining issues from the teleconferences.
- 3) Update on the working groups.
- 4) Any additional unresolved issues.
- 5) Timing of the Pre-Hearing Conference meeting.

Should you have any questions or concerns, please do not hesitate to contact the NIRB's Technical Advisor, Sophia Granchinho at (867) 983-4607, or by email at sgranchinho@nirb.ca.

Sincerely,

Jeff Rusk
Director, Technical Services
