Subject: 2BE-BPC---- New Water Licence Application Weststar Resources Corp. - Request Status
Date: Monday, October 18, 2010 1:17:00 PM
Importance: High

Please advise the status on the above which was received in the Nunavut Water Board office on August 14, 2009. Our last correspondence from NIRB indicates that the project was to be modified or abandoned in it's entirety. Do you still have plans to go forward with this application or has it been withdrawn. If that is the case our office would appreciate a letter to that effect.

Regards,

Phyllis Beaulieu
