Re: Coral Harbour Tank Farm Application for Water Use Waste Disposal Without Licence

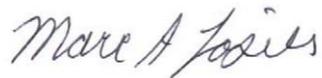

Dear Ms. Beaulieu:

We have been awarded a contract by the Nunavut Department of Community and Government Services to Increase the Tank Farm Capacity and Code Compliance in Coral Harbour Nunavut.

Part of the contract consists of constructing a new 2500cum Jet A1 Fuel storage tank which will require to be hydrostatically tested. We are submitting the attached Application for the Use of Water or Deposit of Waste Without a Licence.

Please review and if you have any questions, do not hesitate to contact me at your convenience.

Yours truly,

Marc Losier, G.S.C.
Project Manager
Inukshuk Construction Limited
