Thanks Marc, for the information. There is one more thing that we need from you in order to process the file.

In block 3 of the application form you stated that "Government of Nunavut" . You have to be more specific of who owns the land. "Commissioner's land, Crown land, or Inuit owned land(in which case the appropriate designated Inuit organization should be named) example, Kivalliq, Kitikmeot, Qikiqtani.

If you can just state in a reply who owns the land or which DIO land your project will be at, that would be great

Thanks

Hi Marc,

I am going through the file 8WLH-PSC----, and I am wondering if you are an employee of Inukshuk Construction limited? And or are you acting on behalf of Mosher Engineering limited?

In block 2 of our guidelines it states; *"The name and contact information of any party submitting an Application on behalf of the applicant must be provided. Furthermore, the Applicant must submit a signed letter which authorizes a party to be the Applicants representative"*.

Regards,
