Date: Friday, May 15, 2009 9:00:43 AM

Dear Phyllis,

My apologies for the delayed response, this file was an interesting one when it first came to us as we could not identify an authorization or Minister/agency to issue a decision to.

Please be advised that the renewal to the Class B water license appears to meet the criteria of Schedule 12-1 (5) of the NLCA and is exempt from screening.

Have a great long weekend,

Leslie
