Dear Mr. Molinski:

The Nunavut Water Board (“NWB”) has received, on March 12, 2012, the 2011 Annual Report for the above-mentioned project. The following documents were included with the annual report:

- Accredited Lab Letter Approving QA/QC Plan;
- Lab Scope of Accreditation Document;
- Updated QA/QC Plan; and
- Biogenie Final Report of Land Treatment Maintenance Activities, February 2012.

The submissions were distributed for information. The Annual Report and updated QA/QC Plan were found to be complete and meeting the requirements of Part B, Item 2 and Part J, Item 10, respectively. In addition, the NWB appreciates the inclusion of Biogenie’s report of maintenance activities to help aid in the understanding of the activities that have taken place.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 Ext. 30, or k.kharatyan@nunavutwaterboard.org, at your earliest convenience.

Yours truly,
