Good Morning

A gentle reminder; all annual reports are due on March 31st, 2014 regarding this file as per your water authorization. Seeing that the submissions are already outstanding I strongly encourage you to use available resources if clarity is needed (myself or the Licensing staff).

Failure to complete the outstanding submission is a violation under Part B item 2 of 2BE-BAK0709 pursuant to section 90 (3) of the Nunavut Waters Nunavut Surface Rights Tribunal Act.

The expiry of this Authorization does not absolve Tanqueray of there responsibilities.

Thank you,

Christine

Hello Christine:

Thank you for the reminder. I will complete ASAP.

Linda

(see previous correspondence attached)

Good Afternoon Linda,

I wanted to inquire on the status of the cancellation application (attached) for 2BE-BAK0709.

As mentioned in the 2012 inspection report the site has completed a final inspection.

Tanqueray is required to submit a 2009 annual report (attached) to the NWB's Manager of Licensing [licensing@nunavutwaterboard.org](mailto:licensing@nunavutwaterboard.org)

Please confirm receipt of this letter, your prompt attention to this matter would be appreciated,
