Subject: De Beers Canada Inc. – Baker Lake Exploration Project – Withdrawal of Application to Amend License

Dear Mr. Pichard:

The Nunavut Water Board (NWB) acknowledges receipt of letter of withdrawal of the amendment to water license 2BE-BKL0609.

It is our understanding that at this time there are no plans for uranium exploration or for the establishment of a temporary camp. Please ensure that your annual report, due on March 31, 2008 reflects these deferments.

Sincerely,
