Subject: Submission of 2009 Annual Report entitled “Skybridge Development Corp., Exploration Land Use Activities 2009, 2BE-BLU0812, Blue Caribou Project, Kitikmeot Region, Nunavut” under Licence No. 2BE-BLU0812

Dear Ms. Kudlacek:

The Nunavut Water Board (“NWB”) received, on February 10, 2010, the 2009 Annual Report for the above-referenced Project. The Annual Report was distributed for information purposes on February 18, 2010 and no comments were received.

The NWB technical staff reviewed the report and determined the following reporting requirements under Licence No. 2BE-BLU0812 were not met:

1. Specifics on the quantity of waste generated and written authorization from the community in Yellowknife to which the waste was backhauled--Part D, Item 4; and
 2. GPS coordinates of all freshwater sources utilized for all purposes--Part J, Item 2.
- Please provide a revised annual report to include the deficiencies identified above.

The licensee is reminded that addenda required under Part H, Item 1 and Part I, Item 1 of the terms and conditions of amendment No. 1, issued on December 15, 2008, remain outstanding.

Should you have any questions, please contact the undersigned at (867) 360-6338 ext. 25 or by email to sjoseph@nunavutwaterboard.org at your earliest convenience.

Yours truly,
