Good morning Paul,

The Nunavut Water Board (“NWB”) acknowledges receipt on December 22, 2010 of your cancellation water license application for the Bugs Property, water licence 2BE-BUG0712.

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* (“NLCA”), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

1. Spill Plan addendum as required from June 11, 2008 amendment
2. Signed water licence application for cancellation

Please disregard the request for NPC and NIRB determinations they’re not required as part the cancellation application.

We will resume the processing of your application once we receive the requested information. Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Regards,
