Dear Sir/ Madam:

Refer: Water Licence NWB2-COR0608 Expiry

A review of our records indicates that the Stornoway Diamond Corporation has a water licence issued by the Nunavut Water Board for the Coronation Gulf (NWB2-COR0608) and it is going to expire on October 31, 2008. This water licence is for the use of water and deposition of waste into water by the Coronation Gulf. You are reminded that in order to continue your use of water, an application to renew or amend the water licence should be sent to the Nunavut Water Board well before the licence expiry date. I suggest that Phyllis Beaulieu, Manager of Licensing at the Nunavut Water Board be contacted by phone: (867)360-6338 or by email at licensing@nunavutwaterboard.org for more information on applying for a licence renewal or amendment.

I have attached a copy of your licence for your own information. Should you have any questions, comments or require assistance, please do not hesitate to contact me, Andrea Cull at (867)975-4738 or by email culla@inac.gc.ca or even Jim Rogers, Water Resources Manager at (867)975-4550 or by email rogersji@inac.gc.ca , at Indian and Northern Affairs Canada.
