**SUBJECT: WATER LICENCE APPLICATION TO REPLACE CURRENT NWB2HEE0304
– HEEQOU PROPERTY, NUNAVUT**

Dear Ms. Ikkutisluk,

In response to your letter of 14/Sept/2004, regarding the Heeqou water licence, please find attached an application to for a renewal of current licence NWB2HEE0304. As requested, the application is in digital format. This submission includes the following;

- Cover letter
- Non-technical summary (Inuktitut version via mail)
- NWB Water Licence Application Form
- Map showing Heeqou Property Claims and Camp Location
- Remote Camp Questionnaire
- Spill Contingency Plan
- MSDS/material sheets for fuels and drilling
- Cheque payable to the "Receiver General For Canada" in the amount of \$60 - \$30 for the application fee and \$30 for a water usage fee (via mail).

The questions have been answered as completely and accurately as possible. However please contact me after January 3rd in the office (604-687-6644) if you have any questions or concerns.

Sincerely,

David McKee,
Information Manager, Diamondex Resources Ltd.
