**RE: WATER LICENCE RENEWAL APPLICATION NWB2HEE0507 – HEEQOU PROPERTY,  
DIAMONDEX RESOURCES LTD.**

Dear Phyllis Beaulieu;

Please accept the enclosed Water Licence renewal application for the continued exploration for diamonds on the Heeqou Property within the Kitikmeot region, along with the required fee (\$30.00) and the annual water use fee (\$30.00), supplementary questionnaire, maps and project summary. A translated summary will follow via email once it has been received.

This renewal application is to continue the activities that have been previously screened and permitted for. The scope of the project has not changed in any way. Attached please find maps showing the project location and the Heeqou property claims. A list of the claims is also included in this package.

At present time, drill targets have not been selected for this program. Diamondex will need to conduct ground geophysics and collect samples prior to finalizing a drill program. Once a program has been identified, the coordinates of the drill program will be submitted to the appropriate regulatory agencies for their review prior to any drilling occurring.

Please do not hesitate to contact me at (604) 687-6644, email [jstritychuk@diamondex.net](mailto:jstritychuk@diamondex.net), if you have any comments or questions, or require more information.

Sincerely,  
**DIAMONDEX RESOURCES LTD.**
