Thank you and the cheques have been received in our office. Once they have been processed from this end and forwarded to INAC, they will issue you with a receipt.

On another note, since the company has changed it's name from Diamondex to Canterra we will need a copy of the Articles indicating same. Please forward to my attention.

Regards,

Subject: Outstanding Payment to be Delivered for 2BE-PER0610 & 2BE-HEE0712

Good morning Ms. Beaulieu,

As a heads up, I have sent a letter to you today with two cheques in the amount of \$30.00 CAD for the outstanding 2010 Water Use Licenses **2BE-PER0610** and **2BE-HEE0712** annual payments. It is my intention to move these two projects towards the final goal of closure so I will begin reviewing the Heeqou project's discrepancies first as it was stated an inspector was set to go out to site during the 2010 season to check on it.

Also in the letter is the knowledge that Diamondex Resources Ltd. has changed its name to Canterra Minerals Corporation and Anna North is no longer with the company. I am now the acting Lands Manager for Canterra so if you have any other questions or concerns, please feel free to contact me via phone or email.

Thank you,

Bill
