Dear Ms. Beaulieu:

Re: Water Licence Application, Heeqou Property

The Water Resources Division has reviewed the water licence application for the above-mentioned project. Due to the scale and nature of this project, approval is not required under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* until such time that an order is passed which amends the current regulation exemptions.

The water-related aspects of this project have been addressed by the provisions made in the application and further issues, such as those pertaining to waste management, will be addressed by the land use permit issued by DIAND. Should you have any questions or comments, please do not hesitate to contact me at the number above or by e-mail at johnsonmi@inac.gc.ca.

Sincerely,
