Hi All

RE: Baker Lake Basin Update

On February 1st, 2011 the Michelin Project located in the Province of Newfoundland and Labrador was sold to Paladin Energy Ltd. of Australia. I am now employed with that company.

On April 6th, 2011 the operations for the Baker Lake Basin Project was taken over by Newmont Mining Corporation through a deal with Fronteer Gold Inc. (Aurora Energy Resources Inc. was a subsidiary of Fronteer).

The person in charge of Land Administration for this file is Eric Daniels.
