Hi Megan,

I've completed my PTR of 2BE-KAZ1011 and it looks to be mostly complete. The only outstanding issues appear to be:

- (a.) we still do not have Annual Reports for the Licensee's activities in 2009, 2010, and 2011.
- (b.) Phyllis's request for the Licensee to clarify Newmont's connection to Aurora Energy appears to be addressed in correspondence from the Licensee, but we will need to confirm that her concerns have been addressed.

Other than those Annual Reports that we'll need from the Licensee, from a technical perspective, this cancellation is ready for distribution.

Cheers,

Cory Zyla- d4n 7Δc
