Dear Ms. Westcott:

The Nunavut Water Board (NWB or Board) received from Ashton Mining (Northwest Territories) Ltd., on March 31, 2010, the 2009 Annual Report for the PIX Project, located in the Kitikmeot Region, Nunavut. On April 9, 2010, the Board acknowledged receipt and distributed the document to interest parties and persons for information purposes. No comments have been received to date. An internal review of the document determined that it is generally consistent with the applicable terms and conditions under Licence 2BE-PIX0510. The review also noted that no waste was deposited or water used during the 2009 period.

Should you have any questions, please feel free to contact the undersigned at 867-360-6338 ext. 25 or by email at sjoseph@nunavutwaterboard.org.

Yours truly,
